

Interactive Public Calendar

The Interactive Public Calendar (IPC) powered by ChapMobile displays any scheduled court hearings within the next 7 calendar days and 341 meetings within the next 30 calendar days. The IPC allows a user to:

- View current and upcoming hearings organized by judge and 341 meetings organized by trustee;
- Search by judge, trustee, attorney name, debtor, or case number; and
- Sort, view, download, and print custom calendars.

The IPC updates from CM/ECF approximately every 10 minutes. Instructions for navigating the calendar are below.

Using the Interactive Public Calendar

The interactive public calendar will not display the Hearing Calendar and the 341 Calendar simultaneously. The Hearing Calendar is the home (default) screen.

To view the 341 Calendar, click the 341 Calendar link in the upper right corner.

Click the Hearing Calendar button to return to the Hearing Calendar.

Hearing Calendar Navigation

If a calendar date has hearings, you will see the dates in red, with a dot under the date. The calendar always defaults to the current date, and only shows hearings within the next 7 calendar days and none in the past. It will show 341 meetings in the next 30 calendar days.

A screenshot of the Interactive Public Calendar interface. The header is dark red with a gear icon, a refresh icon, and the text "Interactive Public Calendar" in the center. On the right side, there is a blue button labeled "341 CALENDAR". Below the header, the current date "MON, JUL 29, 2024" is displayed, along with a "TODAY" button and a right arrow. There are three search buttons: "ATTORNEY SEARCH", "SEARCH BY DEBTOR NAME", and "SEARCH BY CASE NUMBER". Below these is a search bar with the placeholder text "Filter Judge (3 character minimum)...". The main content is a calendar grid with columns for Sun, Mon, Tue, Wed, Thu, Fri, and Sat. The current date, Monday, July 29th, is highlighted in yellow and has a small black dot under it. The following days, Tuesday, July 30th, Wednesday, July 31st, and Thursday, August 1st, are highlighted in red and also have small black dots under them. Below the calendar grid, there is a dark red banner with the text "10:00 - DANIEL P. COLLINS - 230 N FIRST AVE, CRTRM 603, PHOENIX, AZ (DPC)". At the bottom of the page, there is a footer with the text "Powered by ChapMobile" and icons for a mobile phone and an Apple logo.

On the date selected, you will see a list of Judges and locations for their hearings at the bottom of the screen:

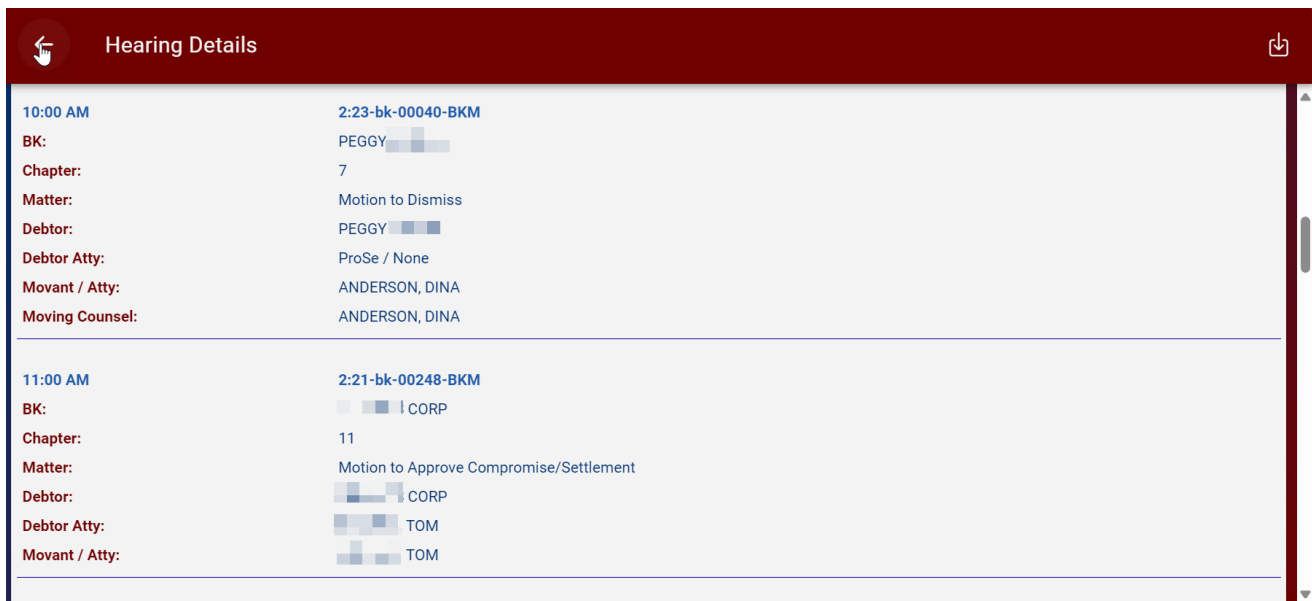

The list of hearings is by judge and location. If a judge has “Telephonic”, “Videoconference” or a specific Courtroom listed separately, that is because those are all considered different locations.

Each listing starts with a time, such as “9:00”. That indicates when the first hearing of the day starts at that location. Select, for example, “10:00- Brenda K. Martin- Telephonic Hearing” and you will see all her telephonic hearings for the day.

Click on the judge/location choice and you will then see a list of **detailed hearings for the day** at that location.

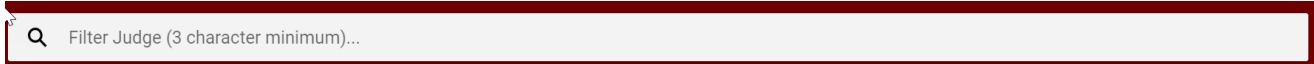

When the Hearing Calendar displays, scroll down to view the list of pending matters. Click  located in the right corner of the screen to download the calendar.

To return to the monthly calendar display, click  the back arrow in the left corner of the screen.
